# PADI Adaptive Techniques Specialty Programs Orientation

Orlando, FL, Wednesday, 1 November 2017

8:00am – 12:00pm

Are you already familiar with techniques and effective approaches when teaching and supervising divers of varying abilities and physical challenges and wish to share those techniques and approaches with others? Do you wish to raise awareness about student-centered teaching ability? Then this program is for you.

This half-day program introduces the new PADI Adaptive Techniques Specialty. Successful completion results in certification as a PADI Adaptive Techniques Specialty Program Instructor (or Instructor Trainer if you are a PADI Course Director), once additional experience is documented (see page 2 of this registration form). The PADI Adaptive Techniques Specialty Program qualifies you to teach both the PADI Adaptive Teaching Techniques specialty course to dive leaders, and the PADI Adaptive Support Diver specialty course to divers,

Renewed, teaching status PADI Instructors and PADI Course Directors qualify to attend this half-day program.

Early Registration Fee: \$199.00 Late Registration Fee, After October 25th: \$225.00
